What is the VCE?

- Normally undertaken over 2 years
- Administered by the Victorian Curriculum and Assessment Authority (VCAA).
- Year 10 Students (not VCAL) are required to undertake a VCE Unit 1 & 2 Subject in 2015.
VCE: IMPORTANT INFORMATION

- Students may select from a variety of VCE subjects. It is important that students are achieving at the standard results in the subjects that align with their VCE subject. For example, students that select VCE Biology or VCE Chemistry should be achieving at or above the standard in year 9/10 Science electives.

- Students may select VCE Outdoor Education as an accelerated subject. If students choose to complete year 12 (Unit 3&4) Outdoor Education, this must be completed in year 11. Students cannot complete Unit 3 & 4 Outdoor Education as a year 12 student.

- At year 11 and 12, there is an attendance requirement. In addition to meeting each outcome, students must have at least 95% attendance.

- In each VCE subject, students must satisfactorily meet every outcome to pass the unit.

- At VCE, the outcomes are reported as ‘Satisfactory’ or ‘Not Satisfactory’.
