

# Information for students seeking election to council

## What is a school council and what does it do?

All government schools in Victoria have a school council. School councils are legal entities that are given powers to set the broad directions of a school in accordance with their constituting Orders and the *Education and Training Reform Act 2006*. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

## What are some of the duties of a school councillor?

The school council has particular functions in setting and monitoring the school's direction.

School councils have three main responsibilities:

- **Finance:** overseeing the development and expenditure of the school's annual budget and ensuring proper records are kept of the school's financial operation.
- **Strategic planning:** participating in the development and monitoring of the school strategic plan.
- **Policy development and review:** developing, reviewing and updating selected policies that reflect a school's values and support the school's broad direction outlined in its strategic plan.

Other key functions of school councils may include:

- raising funds for school related purposes
- maintaining school grounds and facilities
- entering into contracts
- reporting annually to the school community and the Department
- creating interest in the school in the wider community
- representing and taking the views of the community into account
- regulating and facilitating after-hours use of school premises and grounds
- operating a children's service at the school.

## Why is Student membership so important?

Students have a unique perspective on learning, teaching and schools. Having student members on school council allows students to have a say in the future direction of their school and ensures student input into decision making. Student representation on secondary school councils will assist in the development of students' skills, including leadership skills and communication skills.

## Do I need special experience to be on school council?

Each member brings their own valuable skills and knowledge to the role however, councillors may need to develop skills and acquire knowledge in areas that are unfamiliar to them in order to perform their duties as a councillor. Student members are encouraged to acquire this knowledge by attending the Department's free face-to-face Improving School Governance school council training to support them to undertake their role. Training is also available online.

## Who is on the school council?

For all schools with a student cohort of year 7 and above, there are four possible categories of school council membership:

- **A mandated elected Parent category** – more than one-third of the total members must be from this category. Parents and guardians of children attending the school are eligible for membership in this category.
- **A mandated elected DET employee category** – members of this category may make up no more than one-third of the total membership of school council. The principal of the school is automatically a member of this category.
- **A mandated elected Student category (2 positions)** – members of this category are enrolled at the school and in year 7 or above.
- **An optional Community member category** – members are co-opted by a decision of the council because of their special skills, interests or expertise. DET employees are not eligible to be a Community member.

## How many Student member positions are there on school council?

All Victorian government schools with a student cohort of year 7 and above will have **two** mandated Student member positions on school council.

## Can I share the role with another student?

Councillors are not permitted to share their role. Councillors are elected to council and are expected to attend all meetings and serve their full term of office.

### **Are school captains and SRC representatives offered a position on council before other students?**

While being the school captain, vice-captain or a member of the SRC can provide valuable leadership experience, no students can be offered a position in the Student member category based on their standing within the school. School captains and SRC members are not automatic council members. Voting for student leaders at the school, such as school captains and SRC representatives is a distinct and separate process to voting for Student school council members.

Any student interested in being a Student member of their school council is required to run for election like other council members.

### **How long is the term of office?**

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.

In 2018 only, one student was elected for a one year term of office and one student was elected for a two year term of office. From 2019, students will be elected to council for a two year term of office.

### **What happens if there are tied votes?**

If there is a tie between the candidates standing for election, the successful candidates will be determined by the drawing of lots. Now that the student membership category has been established, it is likely that one student will be elected each year. If a student member resigns prior to the end of their term of office, a casual vacancy is created. The casual vacancy is filled through the co-option process by school council.

### **What do I need to do to stand for election?**

The principal will issue a Notice of Election and Call for Nominations following the start of Term 1 each year.

If you decide to stand for election, you can arrange for a student in Year 7 or above at your school to nominate you as a candidate or you can nominate yourself (self-nomination) for the Student member category.

Once the nomination form is completed, it should be returned to the principal within the stated time. You will receive a Nomination Form Receipt following the receipt of the completed nomination.

### **Are there any rules on how I campaign?**

Campaign literature supporting Student member candidates for school council elections may only be distributed and posted in certain places and times as designated by the principal of your school.

School resources may not be used to support candidates.

The principal may invite candidates to prepare a brief statement to be distributed with each ballot paper. The length is specified by the principal and is usually no longer than 150 words.

### **Nominations for school council**

Unlike the Parent or DET employee member categories, if two Student member positions are available and in the first call for nominations only one nomination is received, the student is not automatically declared elected. The principal will immediately post, in a prominent place in the school, a notice calling for further nominations. These nominations are to be received within three school days from the closing of the first call for nominations.

If after the second call for nominations one other nomination is received, then both students are appointed to council.

After the second call for nominations if the total number of nominations exceeds the number of vacancies then all nominees will go to ballot. The two students with the most votes will serve as the Student members on school council.

### **How do I know which students are standing for election?**

If the number of nominations exceeds the number of vacant positions, an election process will be held.

Student names will be listed in random order on the voting slip.

The principal may invite candidates to prepare a brief statement to be distributed with each ballot paper.

### **How do I vote?**

At least seven days before the date fixed for the closure of the ballot, the principal will arrange delivery of the ballot papers.

A securely sealed ballot box or boxes in the case of multiple school campuses will be available for the casting of votes at the school between the hours of 8.00am and 4.00pm on every school day up to and including the day of the closure of the ballot.

A voter must not vote more than once in a ballot and may either post the vote back to the school or deliver the completed ballot paper to the school.

## **School council meetings**

School councils must meet at least eight times a year and at least once per school term. The president chairs all meetings and all members of the council are expected to attend. Councillors can attend meetings in person or by videoconferencing or teleconferencing.

Following the school council elections, council members will determine an appropriate time and location to hold meetings throughout the year. For example, council may agree that meetings will take place on the first Wednesday of each month in the school library.

For most school councils, meetings are located at the school and are held in the evening to ensure the majority of members can attend. Meetings typically last for around 2.5 hours.

You will need to discuss and arrange transport options to and from the meeting with your parent or guardian. The school council does not provide transport.

The principal (in consultation with the school council president) will ensure an agenda is prepared for each regular meeting and distribute the agenda, draft minutes from the previous meeting and meeting papers such as sub-committee reports, principal's and president's report to school council members no less than five days before the meeting. All members, including Student members are expected to read all documents and prepare in advance of each meeting.

## **Conflict of Interest**

If you, as a member of council, or your immediate family has a direct conflict of interest (including a pecuniary\* interest) in with a matter under discussion at a school council meeting, that member must declare the conflict of interest and must not be present during the discussion unless invited to do so by the person presiding at the meeting.

\*For this purpose, pecuniary is defined as: relating to or consisting of money.

## **What if I cannot attend a council meeting?**

If a member is unable to attend a meeting, an apology should be submitted to the principal prior to the meeting.

A member of the school council may apply in writing to the president for extended leave of up to three consecutive meetings.

## **Is there training that I can attend?**

School councillors can attend face-to-face training offered statewide. The training uses the Improving School Governance package and is at no cost to school council members. Training is available in the following modules for students: Governance, Strategic Planning and Finance. Students are encouraged to attend the training offered by the Department in consultation with the principal.

The principal is responsible for providing evidence of parent/carer permission to the training providers should the student participate in training. The modules are also accessible as online training. Participants can complete the modules at their own pace, in any order and are able to return to each module as many times as necessary. To access the online training see see the Department's **School Councils** web page.

## **Can a school council tell a teacher what to do?**

A school council cannot issue instructions to teachers regarding their professional duties, or to employees of the Department in respect of their duties at the school. That role is the responsibility of the principal. If a school council has developed a school policy on certain matters and that policy is consistent with Department policy the council can expect the school staff will implement the policy.

## **Is there further information available regarding the roles and responsibilities of school councils?**

Further information on the roles and responsibilities of school councillors is available on the Department's website at: **School Councils** or in the School Policy and Advisory Guide at **School Councils**.

### **SCHOOL COUNCIL INDUCTION VIDEO**

The school council induction video provides a summary of the purpose and responsibilities of school councils as well as the roles and responsibilities of school councillors. The video can be viewed on the Department's website at **School Councils**.
