Mount Eliza Secondary College is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Our College acknowledges the traditional owners of our land and the significance of their culture and beliefs.

Mount Eliza Secondary College acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others.

Mount Eliza Secondary College actively strives to provide the opportunity for each student to participate to their fullest capacity in the broad range of College Programs, core curriculum, Electives, social and sporting activities.

Mount Eliza Secondary College will:

- ensure that all students and members of our school community are treated with respect and dignity

A school community that acts with Integrity and Responsibility values all students equally irrespective of their personal characteristics and beliefs. Our College believes that all students can achieve their Personal Best and acknowledges that there are a multitude of ways in which students can demonstrate this quality.

Our Inclusion, Diversity and Integration Program is designed to provide pathways and support for students to be fully integrated in the life of their class, year level and the broader College so that they can strive to achieve their Personal Best.

Mount Eliza Secondary College's Respectful Relationships promotes and reinforces a College Culture based on Inclusion and values Diversity.

Mount Eliza Secondary College has a great Wellbeing Team, Student Counsellors and a strong Student Services Program that supports students to effectively manage difficult emotional, personal, mental health, social or family situations.

Bullying, harassment and other forms of inappropriate behaviour targeting individuals because of their personal attributes will not be tolerated in our school community.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Mount Eliza Secondary College will take appropriate measures, consistent with its *Student Wellbeing and Engagement* and *Bullying Prevention Policies* to respond to discriminatory behaviour or harassment at our school.

Our College utilises a Restorative Practices approach as it promotes social responsibility and encourages students to understand the impact that their behaviour has had on others. This Policy is based on a constructive, mutual and empathetic approach to resolving differences.

The benefit is that students better appreciate the consequences of their actions and are less likely to repeat that behaviour. Students benefit from the opportunity to engage directly with staff in a mutually respectful way to find positive solutions. This practice allows staff to demonstrate and model positive relationship skills

Mount Eliza Secondary College also understands that it has a special obligation to make reasonable adjustments to accommodate students with disabilities.

A reasonable adjustment is a measure or action taken to assist all students to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities through our Student Support Group processes in consultation with the student, their parents or carers, their teachers and

if appropriate, their treating practitioners. Details of the teacher adjustments, student goals, differentiation and accommodations provided for students are specified on their Individual Learning Plans. Additional plans can be used in conjunction with the ILP such as Attendance or Behaviour Plans.

For more information about support available for students with disabilities, please refer to our school's *Student Wellbeing and Engagement Policy* or contact the College on 9787 6288 for further information so that you can be referred to the most appropriate person to respond to your query.
