

Dear Student, Parent/Guardian,

On Monday 24<sup>th</sup> and Tuesday 25<sup>th</sup> July, 12pm to 7pm, you will meet with a Course Counsellor and your parent/guardian to select your subjects for 2018. Parents will be required to book an interview time via Compass with their individual parent login details to select a time for the interview. It is compulsory for students in years 8 – 11 to attend an interview to discuss the pathway(s) most suited. These days are normal school days; however, you will be permitted to leave your class to attend the interview with your parent/guardian if the time booked is between noon and 3pm. During the last weeks of term 2 and the first week of term 3 students will, or have, been given explanations of the different expectations and structures of each year level

Please note that the process has changed from 2017, attendance is now required in order to process subject selections for 2018

The **Course Selection Guide** can be found on the college website, click on Publications>Student/Family Information

It is also important that you go onto COMPASS and book a **Course Counselling Interview**; these are being held on **24<sup>th</sup> and 25<sup>th</sup> July 2017**

If you have forgotten your login details, you can reset your password and Compass will send you a temporary password via email. If you are having trouble accessing COMPASS please contact the front office for your code, we also have a COMPASS Portal that parents/guardians can access in the general office

If you require any further information, please contact your students Year Level Leader.
