

Dear Student, Parent/Guardian,

Thank you for attending the Course Information Evening on June 18<sup>th</sup>. Attached is a Course Planning template which will assist you to select subjects for Year 9 2019. Please use this in conjunction with the Course Selection Guide 2019.

We ask students to choose carefully. Assistance in making choices can be gained from a number of areas: your mentor, the careers co-ordinator, subject teachers, and the Year 8 and 9 co-ordinators are happy to provide advice. When making choices students should give thought to what they are interested in and what they are good at and select subjects based on their own preference NOT those of their friends. If students choose a subject that they are good at and enjoy, there is a good chance of success.

For Year 9 in 2019, students will be allocated four elective subjects. Students will be asked to list the 11 elective subjects which are offered in order of preference, 1 being the subject the student most wants to study to 11 being the subject not as favoured. As a family you are asked to use the attached planning sheet to arrive at your preference list. In Term 3 once you have received information about how to log on to the online portal (approximately in week 2) you will be able to transfer your elective preference list onto the portal.

The 11 elective choices offered to Year 9 students are: Visual Arts, Performance Arts, Media, Visual Communication Design, Humanities, Outdoor Education Semester 1 Surf, Outdoor Education Semester 2 Snow, Science, Food, Textiles and Industrial Design Technology Creativity in Wood and Metal. Subject descriptions and fees related to each of these electives can be found in the **Course Selection Guide** which can be found on the college website, click on Publications>Student/Family Information. You can also find information about the electives offered in Year 10 in this Guide.

If you require any further information, please contact your student's Year Level Leader.

# Year 8 2018 into Year 9 2019 COURSE PLANNING

## Student Name:

Students are automatically enrolled into Global Literacies, Maths, Indonesian, Science, Health & PE and PACE
