For great results

• Check your emails regularly for Ad Match emails
• There are 2 types of Ad Match emails:

  **Exact Match email**: means it is the correct item from another parent from your school

  **Close Match email**: means it probably is the correct item, could be from a parent from another nearby school

• You will continue to receive Ad Match emails while your Wanted ads are listed.
• Manually searching does not provide the best outcomes – often items are listed and sold between searching sessions and are never seen
• Parents who list Wanted ads get first choice of the items

second-hand textbook trading system

• List all your Wanted & For Sale Ad (Browsers tell each other what they require and what they have to sell)
